## Description

DAD is registered trade mark of Lithuanian company UAB „Dėmesio srautas“. Since 2011 UAB „Dėmesio srautas“ has worked in the field of advertising production and services. Since the beginning we deal with new challenges, so over the years we accumulated a lot of advertising production and installation experience. In addition, we constantly invest in equipment and staff qualifications, so that our products are of high quality and innovative. For us it is important to warrant the expectations of the customer.
