Description

Dailidesign is a fashion design company. We own label "Daili" & designer name "LAURA DAILI" , our team is based on a powerful and young movement. We draw inspiration from day life to craft simple but attractive designs. Exclusiveness lies in our pure, minimalistic, Baltic - like concepts. The brand "Daili" was launched in 2003. Each season Laura Daili prepare a new collection with its signature label style. Professional fashion designer Laura Dailideniene is a creative force behind the Daili fashion line. We produce Fashion Jewelry line , it is glass jewelry prepared for global needs. Daili collections have been displayed in different exhibitions and fashion shows around the world like Tokyo, Hong-Kong, Amsterdam, New York, Philadelphia, Lvov, Riga, Chicago, Vienna and Vilnius. Fashion fragile like glass, but unstoppable as time!

Business Line

Glass Jewelry

List of products

"a Wish" glass pendant We offer desire to create a Wish! Therefore, the dandelion fluff symbolizes the fulfillment of desire. Catch a Wish and be lucky! This unique pendant is designed by fashion designer Laura Daili. Every plant character is unique and is made individually by hand. Each piece of jewelry packed in a special silk paper shaped box with logo and this may be the perfect gift for your close person or a friend. Laura Daili exclusivity is a clear concept of it's purified and European quality, while the inspiration comes from nature and fills its minimal beautiful creations. The globally acknowledged and established eponymous Lithuanian label LAURA DAILI has exhibited award-winning, nature inspired, minimal and ethereal designs internationally and received acclaims from well-known fashion names such as John Rocha and Matthew Williamson.
