Description

We specialise in producing non-standard furniture since 1991, therefore we can offer you the most professional services in this area. Comfortable furniture should combine everything: functionality, ergonomics and attractive design that fits into the interior. Properly matched to specific needs, the selected furniture will help you feel comfortable and cosy. We will help to use all the useful space of the room. If you require a non-standard exclusive staircase, interior doors, if you are in search of original and functional furniture for your home or office, please contact us. In accordance with your idea, sketch, photograph or with the project we have presented, we will create you exclusive furniture or other wood products.
