**Description**

JSC "DIEZAS" was established in 1992 and is specialized in manufacture, wholesale and retail sale of elements of exhaust systems for cars, trucks and buses. We work directly with many manufacturers of mufflers and accessories from China, India and Europe, so we can offer the widest range of products and lower prices. Our managers are highly experienced in exhaust system field. The goods are manufactured using exceptionally high quality raw materials, modern equipment and high qualified specialists.

---
