**Description**

The Joint – Stock Company ‘Azarto Technika’ was founded in year 1999 as the subsidiary of Austrian ‘Novomatic’ Holding. The main activity of ‘Azarto Technika’ is to renovate the second-hand gaming machines that have been operated in different countries before. The company is the sole exclusive distributor of second-hand products from company ‘Novomatic Gaming Industries GmbH’. Additionally, ‘Azarto technika’ has the exclusive rights for distribution of new ‘Novomatic Gaming Industries GmbH’ gaming equipment to many of CIS countries (Armenia, Belarus, Moldova, Russia, Azerbaijan, Kazakhstan, Kyrgyzstan, Tajikistan, Turkmenistan, Uzbekistan) also Georgia, Ukraine and Lithuania. ‘Azarto Technika’ also holds the exclusive rights for distribution of ‘Awp-design.nl B.V.’ (The Netherlands) gaming machines manufactured for Lithuanian market. ‘Azarto technika’ issues the guarantee for all the offered gaming equipment, performs the guarantee and post-guaranty service and support. The additional activity of the company ‘Azarto Technika’ is to organize the gambling activity abroad.
