Description

Sand Snow Linen creates linen curtains, couch covers, custom size linen bedding sets and pillowcases, table linens, linen clothes made of high quality 100 % European linen. We believe that this breath of nature, purity and calm can be delivered to our everyday lives. For instance, to our home. We can easily wrap our house or flat and furniture into the charming, simple, yet very natural state and atmosphere. That is why, we started creating unique, handmade linen items of high quality. We are certain: our pastel and earthy linen bedding sets, tablecloths, curtains, towels and other items fantastically fit into modern, classical or even rustic homes and interiors.
