## Description

Trijade is a company with more than 20 years of expertise in manufacturing high-quality timber products. In our factory we develop, design and produce with modern manufacturing technologies. We produce a wide range of garden houses, log cabins, sheds, wooden garages and bespoke projects from solid double tongue Nordic spruce and pine wall-boards. Various types of double-glazed doors and windows, terraces and wooden stairs. Our main advantage is that we can offer you high-quality products at a reasonable price.
